STATEMENTS IN SUPPORT OF SEQUENCE LISTING REQUIREMENTS

Honorable Commissioner for Patents
U.S. Patent and Trademark Office
2011 South Clark Place
Customer Window, **Mail Stop Sequence**
Crystal Plaza Two, Lobby, Room 1B03
Arlington, Virginia 22202

Sir:

The Notice of Missing Requirements incorrectly indicates that the application does not contain a paper copy sequence listing. A paper copy sequence listing was submitted as part of the courtesy copy of the International Application as filed (see the attached post card receipt). As the paper copy sequence listing is missing from the file, having been lost in and by the PTO, applicants submit another copy herewith for entry into the file of record.

Attached hereto is a 3½" disk containing the "Sequence Listing" in computer readable form in accordance with 37 C.F.R. §1.821(e) as filed in application no. 10/506,778 on September 7, 2004.

Appln No.: 10/506,778
Response date June 1, 2005
Reply to Notice to Comply April 4, 2005

I hereby state, in accordance with 37 C.F.R.
§1.821(f), that the content of the attached computer readable
copy of the sequence listing and the paper copy as originally
filed are believed to be the same.

I hereby also state, in accordance with 37 C.F.R.
§1.821(g), that the submission is not believed to include new
matter.

If the examiner has any questions or comments
concerning the sequence listing in the above described
application, the examiner is urged to contact the undersigned
at the phone number below.

Respectfully submitted,
